Fashion& _____

Fashion& uses the power of colour upon a timeless base for a look that adds personality to any space. With its linear texture, subtle shine and 36 rich colourways, Fashion& brings a carpet tile for every style. Working as the perfect tonal base to the beginning of a powerful layout, or as a free-form expression of colour in bold blocking, Fashion& lets you pick your own flooring style.

Choose your colour(s) from **six fashion-inspired themes** for a look confident in its use of hue and enjoy the endless creative possibilities Fashion& has to offer you.

As part of the &-collection of carpet tiles designed to be mixed and matched, Fashion& brings tone-on-tone coordination or high-impact contrast with the rich drama of Velvet& and the perfectly imperfect pattern of Fluid&.
