

## Excited? Now tell your customers.

Let's inspire them together. Our Moduleo LayRed Herringbone toolkit has everything you need. It will include:

- ✓ A Herringbone update for the sample boards in your store.
- ✓ A digital leaflet for you to share with your customers online. Or print yourself.
- ✓ Wide room shots for inspiration. Close-up images of the floor for more detail. They'll look stunning on your website and social media.
- ✓ A digital banner for your website.

## Smarter clicking. Faster placing.

A Herringbone pattern often calls for two different types of planks to place it. Not anymore. With the new Unizip clicksysteM your Herringbone floor is shaped with just one plank that clicks both ways. It's faster. And easier.

## LAYRED. YOUR GO-TO RENOVATION FLOOR.

Just like every LayRed floor, the new Herringbone planks are extra strong and fit to simply place on top of your old floor. Even on a subeven one. No demolishing or leveling needed.

Here's what else you sign up for with a LayRed Herringbone floor.

- ✓ Looks like real wood. Feels like real wood.
- ✓ Silence. They soak up the sound of your footsteps.
- ✓ Waterproof. Accident-proof.
- ✓ Soft & warm. Take off your shoes and enjoy.
- ✓ A floor for life.
