QUALITY LAMINATE FLOORING

Discover quality laminate flooring
And extreme ease of installation

COLLECTION 2025

Features

EFFORTLESS INSTALLATION

Uniclic® is sturdy, reliable, user-friendly and ensures fast installation. With this easy system, the planks roll together smoothly, producing a strong and seamless laminate floor. (Collection: Good)

With FitXpress®, all you have to do is 'press' the planks into place end to end. The clip inside the plank ensures that the short sides lock together immediately. (Collections: Better & Best)

PERMANENTLY ANTISTATIC FLOORS

XpertPro® floors receive a permanent anti-static treatment, so static electricity charges cannot accumulate anymore, even in dry climate conditions. Anti-static surfaces are also easier to clean, as dirt and dust adhere less to the floor.

FLOORHEATING & COOLING

XpertPro® is suitable for underfloor heating and cooling.

AQUA PROTECT

Thanks to the Aqua Protect function, your XpertPro® floor is completely water resistant. A perfect floor for every room in your house (including bathrooms and kitchens).

PEFC LABEL

XpertPro® is friends with the environment. All of our laminate floors carry the PEFC label, which is your guarantee of responsible forestry management and conservation. For every tree that we chop down, we plant a new one.

ECOLABEL

We are the first to receive the European Ecolabel for laminate flooring through our parent company Unilin. The EU Ecolabel is a label of environmental excellence that is awarded to products and services meeting high environmental standards throughout their life-cycle: from raw material extraction, to production, distribution and disposal.

1257 x 192 mm

 x 9 = 2,1721 M²

XpertPro® Best is highly durable, hardwearing and ideal for areas that are intensively used and have a high level of footfall. This coupled with FitXpress® ensuring super-fast installation, leaves it the perfect choice of flooring.

Accessories

A total solution for your XpertPro floor

Underlay

A SmartFinish underlay is essential for the installation of your XpertPro floor. Besides creating a level base, our underlays provide excellent acoustic insulation and are compatible with underfloor heating and cooling.

Choose a suitable underlay according to your specific needs.

Basic
SFUDLBAS20

Budget-friendly underlay.

Select
SFUDLSELECT15

Underlay suitable for all applications.
Vapour barrier included.

Versasound
SFUDLVS15

Best underlay for all-round sound reduction.
Vapour barrier included.

Reflection sound

Impact sound

Installation tools

Adhesive tape

NETAPE50 - 50 metres

Self-adhesive tape to attach the Basic underlay for an easy installation.

Installation kit

SFTOOL

Set with a crowbar, tapping block and 20 spacers to easily click planks together and provide perfect expansion gaps.

Skirtings

Colour-matched skirtings

- **Scotia**
SFSCOT(-)
2400 x 17 x 17 mm
- **Standard skirting**
SFSK(-)
2400 x 12 x 58 mm
- **Parquet skirting**
SFPSK(-)
2400 x 14 x 77 mm

Clickable* paintable skirtings

- **Paintable Small skirting**
SFSKCLICKPAINT
1260/2400 x 12 x 50 mm
- **Paintable Medium skirting**
SFPSKCLICKPAINT
1260/2400 x 12 x 70 mm
- **Paintable Large skirting**
SFTSKCLICKPAINT
1260/2400 x 14 x 100 mm

Clickable* white skirtings

- **White Small skirting**
SFSKCLICKWHITE
1260/2400 x 12 x 50 mm

- **Paintable Parquet skirting**
SFPSKPAINT
2400 x 14 x 77 mm
- **Waterproof paintable skirting large**
SFHSK80PAINT
2400 x 15 x 80 mm

*Clickable skirtings

Our new clickable skirtings are developed to make installing smoother and the finish seamless.

Easy to install

Thanks to our internally developed Uniclic® system skirting installation has never been easier and quicker. No tools needed, just click and go.

Seamless finish

The ingenious design ensures the joints of your skirtings will meet seamlessly without any unsightly gaps.

Watertight finish

Prevent moisture from seeping below the floor at the edges by using the Foamstrip and the SmartFinish AquaProtect kit. This ensures a watertight sealing of expansion gaps along walls, radiator pipes and profiles.

1. Foamstrip

NEFOAMSTRIP20 - 20 × 1 m × Ø 10 mm
Elastic strip to install in gaps around the floor perimeter.

2. SmartFinish AquaProtect kit

SFKITTRANSP - 310 ml
Transparent silicone to apply on top of the Foamstrip and to seal skirtings and profiles.

Finishing tools

Smartglue

SFGLEUE290 - 290 ml

Multi-purpose glue that ensures adhesion of skirtings to all materials and substrates.
Average usage: 1 tube for 15 m of skirtings.

Profiles

Colour-matched profiles

High-quality profile with 4 applications in 1 single product. Simply cut the Incizo basic profile to the desired shape with the supplied Incizo knife. Available in matching designs for all XpertPro floors.

Incizo 4-in-1 profile

SFINCP(-)
2150 x 48 x 13 MM

Adapter profile

2150 x 48 x 13 MM
Connect two floors of different heights.

Expansion profile

2150 x 40 x 13 MM
Connect two floors of the same height.

End profile

2150 x 41 x 13 MM
Finish your floor along walls or windows

Transition profile

2150 x 41 x 13 MM
Create a nice transition between your laminate floor and other flooring types.

Metal profiles

Slim and elegant profiles in wear and scratch resistant aluminium to finish expansion gaps. Available in silver, coffee, clay, champagne and black.

Adapter profile

Connect two floors of different heights.
SFADPSILV / COFF / CLAY / CHAM / BLACK
2000 x 40 x 10 mma
