SEGNO

The Segno range proves that classic design can also become the most contemporary when used in the right way.

Whether in a modern or warehouse-style rooftop flat, a classic turn of the century apartment or a villa inspired by an Italian mansion, Segno is an ideal flooring choice to enhance your interior style.

Revisiting the classic patterned floor with a more modern approach, Segno gives you artistic licence to create your own patterned floor layout, combining our exceptional quality and finishes with a modular format which allows for a wide range of unique pattern options. Whether you opt for a timeless Herringbone pattern or create your own floor 'recipe', Segno can help any space realise its full potential.
