Vebe Floorcoverings b.v. products are to be installed in full accordance with Vebe installation instructions and recognised trade standards. An effective, regular cleaning and maintenance programme is vital for retaining a high appearance level. Vebe products should only be used as floorcoverings. Note: Vebe Floorcoverings b.v. reserve the right to amend this specification without giving prior notice. For the latest versions of the technical specifications, check our internet site.

In the area of office chairs we recommend to use mats made of polycarbonate. This extends the life of your carpet.

During normal use, maintenance and cleaning procedures, the mentioned products will be guaranteed for a period of 1 year on the carpet-properties and UV-resistance. Due to sunshine (UV-radiation) and / or moisture the color of the fibers will change in time. This is usual for the mentioned products.

With artificial grass, weather conditions may cause a shrinkage of  $\pm 2\%$
