Swing Hexagon

8058851 **S** 6 Places
Red – Sunken Foundation

The Hexagon swing provides a different and fun swinging experience. Its design makes it possible for multiple children to swing together, face-to-face. Hexagon provides a natural social gathering place, while swinging challenges, stimulates and develops children's fine motor skills and balance. The swing frame has six swing seats and is available in red, green or galvanized.
